Subject: Approval Maintained

Bombardier Aerospace is pleased to inform you that after a detailed reassessment according to Quality Requirements for Suppliers, the "Approval Status" of Westmoreland Mechanical testing at the above noted address, is maintained and holds the approvals listed on the Bombardier ASL.

This approval will be maintained on the condition that your company continues to comply with QD4.6-40, Quality Requirements for Suppliers, and maintains acceptable product delivery performance.

Bombardier Aerospace Quality may elect to audit your facility at any time during or prior to any contract in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment, or management.

Your approval status will be periodically reviewed and / or revised based on supplier performance.

It is Bombardier Aerospace's policy to purchase only from approved suppliers who consistently meet our standards of quality and reliability. We look forward to building a mutually beneficial and lasting relationship driven by a desire for continuous quality improvement.

Sincerely yours,

Andrew Turner
